Insert Abstract text here

Abstract should include the following items only in this order: Abstract Title, Authors, Affiliations, Abstract and main text. The **abstract title** should be in lower case, bold and should be centered. The abstract title should be as concise as possible. Add a blank line before the author list. **Authors' names** should be listed with initials of first names only followed by the last names in full. Authors should be separated by commas. Center the author list and put an * after the presenting author. **Affiliations** should follow on the next line without a blank line. For each affiliation, include only the name of the department or division and organization. Full street addresses should not be included. Affiliations should be italicized. Superscript number should be used as a key to affiliate names to organizations. Numbers should appear after the authors' names and then before each affiliation. Center the affiliations.

Leave a blank line before the main abstract text. Do **not** type "abstract" at the start of the main text. Leave a single blank line between paragraphs. Justify paragraphs and do not indent the first line. *Sample abstract in the abstract box on the left of this form.*

Embedded figures may be included within the main text. The abstract **MUST** fit inside the box. Figures should be of good quality and high resolution.

Each abstract will be reviewed by the Symposium Committee.

Instructions for Abstract:

1. Maximum of 400 words (excluding title/authors)
2. Use 11 point size Arial or Times New Roman font
3. Use single line spacing
4. Abstracts must be submitted to Nancy Leslie at dr.leslie@bvpo.com or online at <http://www.txbsi.com/symposium/abstract.php> by 5:00 PM on September 9, 2011

For more information on the symposium see:
