

## PA Neurosurgical Residency Program

Dear Prospective Applicant:

Thank you for your interest in the Texas Brain and Spine Institute Neurosurgical PA Residency Program. Please find attached the app and stipend/benefits.

The PA Neurosurgical Residency is a 12-month postgraduate certificate program for NCCPA eligible/certified Physician Assistants. To expedite the candidacy process, please forward the following in a timely fashion. We choose the resident based on the information provided as well as an interview process.

- Completed application form provided on website, [www.txbsi.com/education/physician-assistants](http://www.txbsi.com/education/physician-assistants)
- Eligible for Texas license and complete licensure requirements by fall of starting year
- All College and PA program official transcripts
- Three letters of reference-*one from the Director of the PA Training Program if less than two years since graduation.*
- Curriculum Vitae
- Current Photo

After the application is completed, it will be reviewed by our Admissions Committee and selection will be made for formal interview. If you have any questions regarding the program and/or the admissions process, please feel free to contact me.

Sincerely,

Joe Hlavin, PA-C, MS  
Program Director
